

Trinity Medical Sciences University School of Medicine, St Vincent

Accreditation for three years, 2019-2022

November 2020 Update

The 2020 Progress Report from Trinity Medical Sciences University School of Medicine was presented to the CAAM-HP at its Annual General Meeting held November 18-19, 2020. The Authority considered and accepted the progress report Board but expressed disappointment at the absence of documentary evidence to support some of the claims made. The Authority was also concerned about the financial viability of the School, given its dependence on tuition fees solely, and requested audited financial statements for the past three years.

July 2019 Determination: *Accreditation for three years, 2019-2022*

This was the third full accreditation review of Trinity Medical Sciences University School of Medicine (formerly Trinity School of Medicine). A visit was paid to Trinity School of Medicine's campus in St Vincent & the Grenadines and clinical affiliates in Baltimore, April 6-12, 2019.

The CAAM-HP at its meeting held July 25-27, 2019 considered and accepted the site visit report of the *ad hoc* assessment team comprising:

1. Professor Jonas Addae (Team Chair)
2. Dr Sherline Brown (Team Secretary)
3. Dr Elaine Williams
4. Professor Sam Kini

Decision: The Authority, after careful consideration of the site visit report, granted Accreditation for three (3) years, 2019-2022 with the condition that the school prepare for a focussed visit to the clinical sites within the next two years given concerns identified.

The school is expected to submit annual progress reports demonstrating the efforts being made to address the areas of concern identified in the report.

July 2018 Update

The CAAM-HP at its meeting held July 29-31, 2018 considered and accepted the May 2018 progress report in response to issues previously flagged and noted the progress made. The school is due for a full accreditation review in 2019.

July 2017 Determination: *Accreditation with Conditions, 2017-2019*

A visit was paid to Trinity School of Medicine's campus in St Vincent & the Grenadines and clinical affiliates in Baltimore, April 2-8, 2017. This was the school's second accreditation exercise carried out by CAAM-HP.

The CAAM-HP at its meeting held July 20-22, 2017 considered and accepted the site visit report of the *ad hoc* assessment team comprising:

5. Professor Russell Pierre (Team Chair)
6. Dr Damian Cohall (Team Secretary)
7. Professor Sheik Hassan
8. Professor Penny Hansen

Decision: In light of the issues flagged in the site visit report, the Authority accorded Accreditation with conditions for two (2) years from 2017 to 2019. The Authority noted the improvements made since the last site visit and drew attention to a number of weaknesses in the management of the curriculum which need to be addressed.

July 2016 Update

The CAAM-HP at its meeting held July 27-29, 2016 considered and accepted the progress report of May 2016 in response to CAAM-HP's letter of July 25, 2015 as well as the report of the March 2015 site visit.

The Authority noted the significant progress made to address the issues identified in its letter and the site visit report and looks forward to the site visit in 2017.

July 2015 Determination: *Provisional Accreditation, 2015-2017*

The CAAM-HP thanked Trinity School of Medicine for the work done in preparing the accreditation instruments and the arrangements made for the visiting team to the medical school in St Vincent and clinical teaching sites in New York and Maryland, March 22-28, 2015. This was the first accreditation exercise by CAAM-HP.

The CAAM-HP at its meeting held July 23-25, 2015 considered and accepted the site visit report of the *ad hoc* site visit team comprising:

1. Professor Jim McKillop (Team Chair)
2. Dr Damian Cohall (Team Secretary)

3. Dr Shamdeo Persaud
4. Professor Minerva Thame

Decision: In light of the issues flagged in the site visit report, the meeting decided to accord Provisional Accreditation for two (2) years, 2015-2017 and expects to receive annual progress reports indicating efforts being made to address the issues cited in the site visit report and CAAM-HP's letter.
